## DENMAN COLLEGE

Denman College is the WI's own Residential Adult Education College near Oxford, and was named after the first NFWI Chairman, Lady Denman.

Most of the money needed to buy, develop and maintain the College over the years has been raised by the WI. Denman College is a graceful Georgian house, set in 17 acres of beautiful grounds.

Cathy Baldwin is the Denman rep for Cheshire and she is coming to the next meeting in March to tell us more about the college
