## GOOD NEWS FOR THIS COMMUNITY

Dear Friend,

We are pleased to tell you about a new and exciting community project, and we are inviting you to tell us about what you would like to see offered at the new community centre. Whilst we cannot promise to provide all the activities to suit everyone, it is vital that the end result works for the community as a whole.

Winterley Methodist Church has been at the heart of the community and provided a home for worship and various local interest groups for almost 200 years. You will find more information about the existing groups in this leaflet; however, looking to the future, community involvement is critical in many ways. We therefore invite you to take a few minutes to answer the questions on the enclosed questionnaire. We are genuinely interested to hear from you about ways in which you would be interested in being involved both now (at the planning stage) and in the future when the facility is up and running.

We are working hard to raise £160,000 to fund the project and we are very grateful to the grant-making bodies which have already responded to our enquiries. We hope to commence the work later this year and your donations and fundraising ideas would be especially welcome.

You are invited to come to a consultation event on Saturday 9 April 10.00 am – 1.00 pm – we need your help and suggestions. Thank you.

Yours sincerely

Rev. Malcolm Lorimer, Chair - Building Development Committee
