New Community Resource

for Winterley & Wheelock Heath

Update – Summer 2016

Good News - PHASE 1 FUNDING NOW IN PLACE

See page 3 for more information re. the progress with grant applications.

Questionnaire - THANK YOU

Thank you to everyone who took the time to complete the questionnaire which was delivered to every household in the community. The responses have been analysed and you can read about what people would like to see happening at the new community resource on page 2.

"I would like to see sessions offered which enable people to get out of the house and to overcome social isolation issues."

Comment from a completed questionnaire.

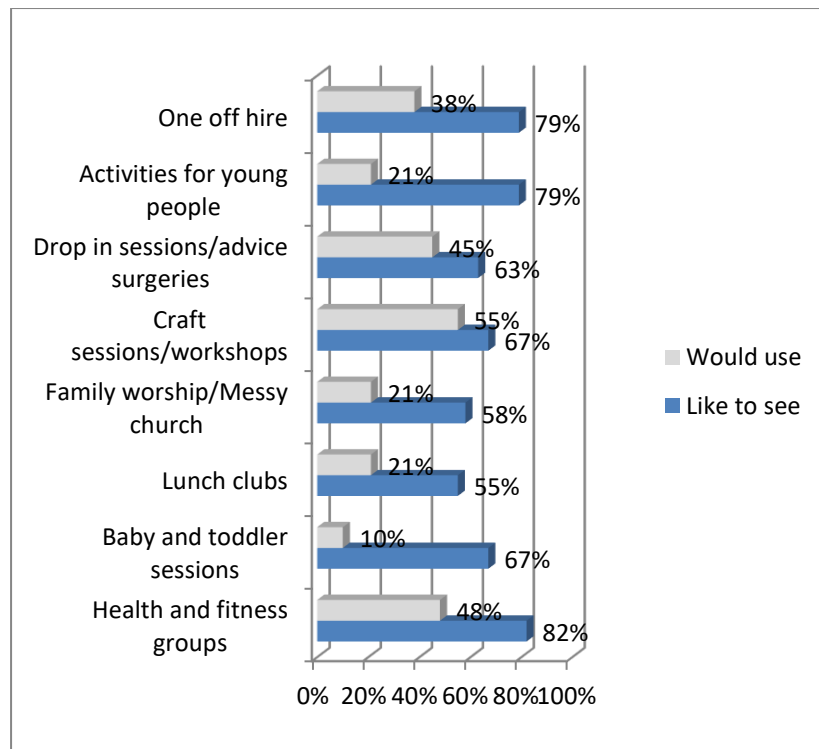

Consultation Event - THANK YOU

Thank you to everyone who attended the Consultation Event to view the architect's plans on 9 April. Thank you also to representatives from The Goslings, the band and the guitar group who supported the event.

Questionnaire - YOUR RESPONSES

Thank you for telling us what you would like the new community resource to offer. The information below summarizes your responses.

Questions 3 & 4 – Facilities/options respondents would like to see/would use

NB. Whilst highest proportions would like to see health and fitness groups, activities for young people and one-off hire, those responding most frequently suggested they/household members would use craft sessions/workshops, health and fitness sessions and drop-in sessions.

Question 5 – Other activities you would like to see offered

Responses included:

Adult courses, After School Club, Beavers/Cubs, Book & Film Club, Citizens Advice Surgeries, Coffee mornings, Community meal, Knit & Crochet, Led Walks, Musical ensembles, Music Tuition, Photography, Singing/Choir, Table Tennis, U3A Groups, Yoga, etc.

Grants - PROGRESS TO DATE

To fund the entire project we need to raise £160,000.

Phase 1: The purchase & siting of an annexe building = £60,000.

Phase 2: The modernization of the existing premises = £100,000.

The good news is that we have now been successful in attracting grants for Phase 1, totalling £60,000, from *Awards For All*, *All Churches Trust*, Cheshire East, the Parish Council and the Cheshire South Methodist Circuit. The annexe will provide a new 'home' for the pre-school. Applications for grants towards Phase 2 will be submitted to other funding bodies. Please let us know of any other funding streams which you think we should approach re. the *New Community Resource*.
